Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

Form/Schedule: **SB21b**

In response the Request for Additional Information from the Commission, this report is being amended to disclose a more detailed purpose for the disbursement to the NEA General Fund found on page 222 of this report. There are no other changes to the report. Please update your records accordingly.
